

Linguistic Diversity, Terminology and Statistics

Second Announcement

Dear Colleagues,
Ventspils University of Applied Sciences and
the Institute of Horticulture, Latvia
are pleased to invite you to the International Interdisciplinary Scientific Conference

Linguistic Diversity, Terminology and Statistics

held on 3–4 November, 2022 online.

The conference participants will be addressed by keynote speakers followed by conference sections bringing together researchers in:

- linguistics (various aspects in linguistics and translation),
- terminology (with emphasis on specialized biology lexis and terminology),
- language technology and
- lexicography.

Researchers on similar topics related to linguistic diversity, terminology, and statistics are also welcome to apply.

The conference languages: English, German, Russian, Latvian.

Simultaneous translation for selected presentations will be provided by the Faculty of Translation Studies of Ventspils University of Applied Sciences.

Accepted keynote speakers

Laimute Balode, Dr. philol.

Latvian Language Institute of the University of Latvia, Department of Languages of the University of Helsinki

Francesca Bianchi, PhD

Associate Professor of English language, linguistics and translation at the University of Salento

Marie Vachková, PhD

Institute for Germanic Studies Faculty of Philosophy of Charles University in Prague

Conference Scientific Committee

Arturs Stalažs, *Dr. agr.* (Latvia), Head of the Committee

Juris Baldunčiks, *Dr. philol.* (Latvia)

Laimute Balode, *Dr. philol.* (Latvia, Finland)

Francesca Bianchi, PhD (Italy)

Silga Sviķe, *Dr. philol.* (Latvia)

Michal Škrabal, *Dr. philol.* (Czech Republic)

Marie Vachková, PhD (Czech Republic)

Aiga Veckalne, MBA (Latvia)

Conference Organising Committee

Silga Sviķe, *Dr. philol.* (Latvia), Head of the Committee

Ieva Kozlova, prof. Master's degree (Latvia), Secretary

Arturs Stalažs, *Dr. agr.* (Latvia)

Aiga Veckalne, MBA (Latvia)

Karina Šķirmante, *Mg. sc. comp.* (Latvia)

Eva Meijere, prof. Bachelor's degree (Latvia)

General information

If the presentation is in a language other than English, slides should be provided in English.

The conference will be held online.

All conference proceedings will be published online, and selected papers are planned to be published in the scientific journal *Studies about Languages* (print and online). Articles for the publication should be submitted in English.

Participation in the Conference is free of charge.

Conference email: ldts@venta.lv

Important dates

- **15 December 2021** – Registration opened
- **31 July 2022** – Registration deadline
- **15 August 2022** – Notification of acceptance
- **3–4 November 2022** – Conference sessions
- **30 November 2022** – Deadline of submission of papers for publication

Ventspils University of Applied Sciences and the Institute of Horticulture are implementing the project “Smart complex of information systems of specialized biology lexis for the research and preservation of linguistic diversity” from January 2021 to the end of 2023. The project includes the development of a new interactive multifunctional research database management system (IMDS) with extensive statistical capabilities, suitable for language research and public use worldwide. The first results of the data collected and analysed in the database will be presented to the participants of the conference.

This conference is funded by the Latvian Council of Science, project “Smart complex of information systems of specialized biology lexis for the research and preservation of linguistic diversity”, No. lzp-2020/1-0179.
